

# JTEKT INSIDE - Feb 2023

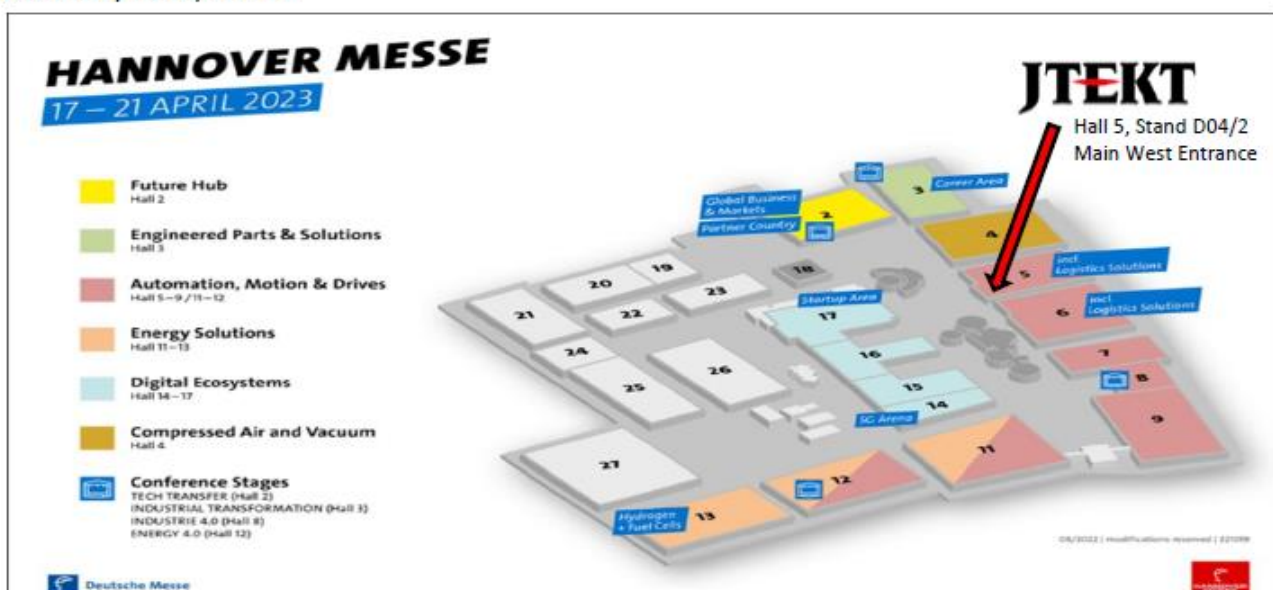

## JTEKT Europe Bearings participation to Hannover Messe 2023

### Hannover Messe 2023

JTEKT Europe Bearings B.V. (formerly Koyo Europe) will be participating at Hannover Messe 2023 with a small booth in the Motion+Drive pavilion in hall 5, booth D04/2. This will be an excellent opportunity to meet & greet “live” after the several years of (too many) online meetings. We will be featuring several new products including the race bicycle ONI-bearing, the ultra-compact JUCB-bearing and the JTEKT Lithium Ion Capacitor. This will also be an excellent opportunity to promote the brand-transition from Koyo to JTEKT.

### Main Industry Sectors/locations:

## Invitation to visit us & Free entry-tickets

Should you be planning to visit the Hannover Messe 2023 which is taking place from April 17 to 21, do not hesitate to let us know and visit us on our booth to catch up with a drink and little snack, or for a more formal business meeting. We will also be able to offer free HM23 entry-tickets if you are interested (please contact our Selma Baruch for more details – [selma.baruch@jtekt.eu](mailto:selma.baruch@jtekt.eu)).

## General notification

**Koyo Bearings** has been officially rebranded to **JTEKT Bearings** as of April 1, 2022. Please appreciate that this is only a change of brand. The company, its general structure, the products and services will remain the same. Our customers can rely on the continued good service and quality of our products in the future and our commitment to keep the same excellent business relationship with our valued partners, as in the past.

*Please do not hesitate to contact us or your distributor in case you would like to have more information about our company, products and services.*
